The fourth novel in the #1 New York Times and #1 USA Today bestselling Crossfire series. Gideon calls me his angel, but he 's the miracle in my life. My gorgeous, wounded warrior, so determined to slay my demons while refusing to face his own. The vows we'd exchanged should have bound us tighter than blood and flesh. Instead they opened old wounds, exposed pain and insecurities, and lured bitter enemies out of the shadows. I felt him slipping from my grasp, my greatest fears becoming my reality, my love tested in ways I wasn ' t sure I was strong enough to bear. At the brightest time in our lives, the darkness of his past encroached and threatened everything we ' d worked so hard for. We faced a terrible choice: the familiar safety of the lives we ' d had before each other or the fight for a future that suddenly seemed an impossible and hopeless dream...

Eva Trammel, plagued by her own insecurities, is drawn into an intense, obsessive relationship with the wealthy and arrogant Gideon Cross. "Gideon Cross came into my life like lightning in the darkness. He was beautiful and brilliant, jagged and white-hot. I was drawn to him as I'd never been to anyone in my life. I craved his touch like a drug, even knowing it would weaken me. I was flawed and damaged, and he opened those cracks in me so easily. Gideon knew. He had demons of his own. And we would become the mirrors that reflected each other's most private wounds and desires. The bonds of his love transformed me, even as I prayed that the torment of our pasts didn't tear us apart."--Back cover.

There's nothing more romantic than Valentine's Day...except Sylvia Day. Now in one deluxe box set, the first four novels in the Crossfire series. The #1 New York Times bestselling author. The #1 worldwide phenomenon. *Bared to You* He was beautiful and brilliant, jagged and white-hot. I was drawn to him as I'd never been to anything or anyone in my life. I craved his touch like a drug, even knowing it would weaken me. I was flawed and damaged, and he opened those cracks in me so easily... Gideon knew. He had demons of his own. And we would become the mirrors that reflected each other's most private wounds... and desires. The bonds of his love transformed me, even as I prayed that the torment of our pasts didn't tear us apart... *Reflected in You* Gideon Cross. As beautiful and flawless on the outside as he was damaged and tormented on the inside. He was a bright, scorching flame that singed me with the darkest of pleasures. I couldn't stay away. I didn't want to. He was my addiction... my every desire... mine. My past was as violent as his, and I was just as broken. We'd never work. It was too hard, too painful... except when it was perfect. Those moments when the driving hunger and desperate love were the most exquisite insanity. We were bound by our need. And our passion would take us beyond our limits to the sweetest, sharpest edge of obsession... *Entwined with You* From the moment I first met Gideon Cross, I recognized something in him that I needed. Something I couldn't resist. I also saw the dangerous and damaged soul inside so much like my own. I was drawn to it. I needed him as surely as I needed my heart to beat. No one knows how much he risked for me. How much I'd been threatened, or just how dark and desperate the shadow of our pasts would become. Entwined by our secrets, we tried to defy the odds. We made our own rules and surrendered completely to the exquisite power of possession... *Captivated by You* Gideon calls me his angel, but he's the miracle in my life. Never mix business with pleasure. Never bring politics into the bedroom. In a way I did both when I took Jackson Rutledge as a lover. I can't say I wasn't warned. Two years later, he was back. Walking into a deal I'd worked hard to close. Under the tutelage of Lei Yeung, one of the sharpest businesswomen in New York, I had picked up a thing or two since Jax walked away. I wasn't the girl he once knew, but he hadn't changed. Unlike the last time we'd drifted into each other's lives, I knew exactly what I was dealing with... and how addictive his touch could be. The inner circle of glamour, sex, and privilege was Jax's playground--but this time, I knew the rules of the game. In the cutthroat business world, one adage rules all: keep your enemies close and your ex-lovers closer...

The worldwide phenomenon continues as Eva and Gideon face the demons of their pasts and accept the consequences of their obsessive desires in the third novel in the #1 New York Times bestselling Crossfire series.
