On November 28, 1973, the world's social elite gathered at the Palace of Versailles for an international fashion show. By the time the curtain came down on the evening's spectacle, history had been made and the industry had been forever transformed. This is that story. Conceived as a fund-raiser for the restoration of King Louis XIV's palace, in the late fall of 1973, five top American designers faced off against five top French designers in an over-the-top runway extravaganza. An audience filled with celebrities and international jet-setters, including Princess Grace of Monaco, the Duchess of Windsor, Paloma Picasso, and Andy Warhol, were treated to an opulent performance featuring Liza Minnelli, Josephine Baker, and Rudolph Nureyev. What they saw would forever alter the history of fashion. The Americans at the Battle of

Versailles—Oscar de la Renta, Bill Blass, Anne Klein, Halston, and Stephen Burrows – showed their work against the five French designers considered the best in the world – Yves Saint Laurent, Hubert de Givenchy, Pierre Cardin, Emanuel Ungaro, and Marc Bohan of Christian Dior. Plagued by in-fighting, outsized egos, shoestring budgets, and innumerable technical difficulties, the American contingent had little chance of meeting the European's exquisite and refined standards. But against all odds, the American energy and the domination by the fearless models (ten of whom, in a groundbreaking move, were African American) sent the audience reeling. By the end of the evening, the Americans had officially taken their place on the world's stage, prompting a major shift in the way race, gender, sexuality,

New York Fashion Week has served many purposes throughout its long history, but it has always remained at the center of the American fashion world. During World War II, Fashion Week challenged the dominance of French couture; in the 1970s and 1980s, it was a showcase for American sportswear stars who became household names; in the 2000s, it was the stage for celebrity designers using the runway as a vehicle for entertainment; and now, it is the place to see and be seen by contemporary reality TV and social media stars. Now, this illustrious history is told as it 's never been told before, in a book packed with designer interviews, backstage ephemera, and exclusive photographs culled from all 75 years of New York Fashion Week. Two Roads to 1940 is a comparative study of the French and British air arms, from 1918 to 10 May 1940. Higham seeks the answer to the question “ Why was the Armée de l’ Air defeated in June 1940 whereas the Royal Air Force won the Battle Over Britain in September? ” To reach a conclusion, the structure, the men and matériel, the government, and the economic infrastructure were analyzed. The story reveals that the French, dominated by the Armée de

L' Terre, was hypnotized by "1918"; in contrast, the independent RAF evolved in the interwar years into a sophisticated, scientifically based force, which got the Air Defence of Great Britain (1924-1936) ready, was supported by government practices and consistency, as well as the necessary technical support for Fighter Command (1936-). Thus in 1940 the RAF could meet the Luftwaffe challenge. But the RAF also suffered from three major errors; no Air Officer Commander-in-Chief to control all the air commands, the almost fatal miscalculations of the power of Bomber Command, and the Army Ordnance ' s refusal to develop the .50-caliber machine-gun instead of the .303. Serious historians and buffs should find the story salutary, as well as a detailed explanation of why air forces fail

This unprecedented volume documents the revolutionary work of African American fashion designer Stephen Burrows—celebrating some of the most innovative and vibrant years in American Fashion. In the late 1960s, New York was the epicenter of creative vitality and artistic expression, when, as Phyllis Magidson writes in this book 's introduction, “ Clothing became a masquerade, Central Park 's Bethesda Fountain a costume party, weekends a perpetual Halloween. ” This was the New York City that Stephen Burrows embraced as his own, and it would inspire him to create clothes that would help revolutionize American Fashion and further solidify its credibility abroad. This unprecedented volume documents Burrows ' creative

output during the formative and at once incendiary years of 1968 to 1983. Each of the book's four essays offers a unique perspective into the work of an artist at the height of his creative powers: Daniela Morera presents a perspective from abroad focusing on a new kind of femininity characterized by the freedom of Burrows' clothes—light and fluid fabrics and an instinctive sense of color, inspired by the music and dance culture of the '70s and '80s; Glenn O'Brien explores the reciprocity between Burrows' designs and the New York City art scene, partying with Warhol and the Studio 54-going elite; how Burrows got from Newark to Fifth Avenue, and from Fifth Avenue to Seventh, is the subject of Laird Persson's essay; while Magidson's introduction is a vivid depiction of the renegade clothing

Their approach to fashion was wildly different—Galliano began as an illustrator, McQueen as a Savile Row tailor. Galliano led the way with his sensual bias-cut gowns and his voluptuous hourglass tailoring, which he presented in romantic storybook-like settings. McQueen, though nearly ten years younger than Galliano, was a brilliant technician and a visionary artist who brought a new reality to fashion, as well as an otherworldly beauty. For his first official collection at the tender age of twenty-three, McQueen did what few in fashion ever achieve: he invented a new silhouette, the Bumster. They had similar backgrounds: sensitive, shy gay men raised in tough London

neighborhoods, their love of fashion nurtured by their doting mothers. Both struggled to get their businesses off the ground, despite early critical success. But by 1997, each had landed a job as creative director for couture houses owned by French tycoon Bernard Arnault, chairman of LVMH. Galliano ' s and McQueen ' s work for Dior and Givenchy and beyond not only influenced fashion; their distinct styles were also reflected across the media landscape. With their help, luxury fashion evolved from a clutch of small, family-owned businesses into a \$280 billion-a-year global corporate industry. Executives pushed the designers to meet increasingly rapid deadlines. For both Galliano and McQueen, the pace was unsustainable. In 2010, McQueen took his own life three weeks before his womens'
